**PREGUNTA 2 – ¿Con qué herramientas afrontas los cambios en tu proyecto?**

**2. GALDERA – Ze tresnekin aurre egiten diezu aldeketei zure proiektuan?**

## RESULTS

## MAIN IDEAS

**MIND RESET / DEATCHEMENT / DECREASE:** change and unexpected is part of the idiosyncrasy of our spaces. Sometimes we need to stop and review our goals, activities, etc., maybe STOP doing some of them (decrease, not always increase)

**FLEXIBILITY / ADAPTATION:** be adaptable, versatile (multi-task, talent). Listen to the reality of your environment and take the initiative. Pull on everything you have: people, imagination, technology...

**PEOPLE:** hard work, patience, goodwill and humour. Take care of people and projects, as we need to be a kind of super-heroes. Seek out for support when needed, choose your team-mates

**STRATEGY / VISION:** strategic thinking, integral vision of the project, but also need to have vision in the short, medium and long term (act, think and dream). Organization, Democracy and Strong Communication within our communities.
